

Daily Stand Up(11/27)

• What did you do yesterday?

Darian: Worked on display of homepage

Matthew: finished create listing

Allen: Worked on profile

Justin: doing some bug fixes so that the user can upload multiple images towards a listing and link it accordingly in the s3 bucket and dynamoDB.

Max: Redesign listing page and upload multiple photos

• What did you do today?

Darian: Finishing up homepage display

Matthew: make categories backend

Allen: worked on messaging and profile

Justin: working on displaying college addresses and modifying the settings for choosing which college a user goes to. Start on favorite backend

Max: Connect listing back end to front end

• What is blocking your progress?

Darian: CSS for grid

Matthew: time

Allen: tiny bugs with backend retrieving from db

Justin: can work on displaying college addresses. Waiting on the latest main branch to start favorites.

Max: API endpoint issues
