

Daily Stand Up(10/8)

• What did you do yesterday?

Darian: Worked on connecting backend for profile

Matthew: researched how to link amazon ses into lambda and laid out the pseudocode

Allen: Worked on listing page

Justin: worked on Jira and assigned people the tasks for next sprint

Max: Start front end for forgot password page

• What did you do today?

Darian: Finished up connecting backend profile image to frontend

Matthew: linked ses to lambda to send emails through lambda

Allen: worked on listing page

Justin: worked on the listing page so a user can upload a picture and it saves in the backend

Max: continued working on front end

• What is blocking your progress?

Darian: Not much

Matthew: figuring out what info to send and what links for password reset

Allen: Not knowing enough about connecting front end and backend

Justin: connecting front end to the backend s3 bucket for sending and receiving pictures is a little buggy at the moment

Max: Formatting issues
