Daily Stand Up(10/11)

**• What did you do yesterday?**

**Darian**: Finished up category bar

**Matthew**: created code to send email using aws ses

**Allen**: Worked on listing page

**Justin:** Worked on the create listing page

**Max**: Work on the front end for resetting a password.

**• What did you do today?**

**Darian**: Worked on profile json response

**Matthew**: debug and have it accept email through post request

**Allen**: worked on listing page

**Justin:** worked on Jira and assigned people the tasks for next sprint

**Max**: More front end for reset password

**• What is blocking your progress?**

**Darian**: Need to return observable type

**Matthew**: I don;t now how ses works and I need to figure out it works

**Allen**: Getting npm install errors

**Justin:** have to do the listings page and updated the pictures so it can go into our s3 bucket

**Max**: Unsure how to create a page for password confirmation.
