Daily Stand Up(11/20)

• What did you do yesterday?

Darian: Worked on connecting selling frontend to backend

Matthew: fix register

Allen: Worked on message functionality

Justin: Finished connecting the s3 bucket backend to the front end and able to upload images.

Max: Research on making more responsive pages

• What did you do today?

Darian: Finishing up connecting selling frontend to backend

Matthew: research search

Allen: worked on message functionality

Justin: doing some bug fixes so that the user can upload multiple images towards a listing and link it accordingly in the s3 bucket and dynamoDB.

Max: Make login and register responsive

• What is blocking your progress?

Darian: CSS for grid

responsive: nothing

Allen: need to figure out how to get user of listing

Justin: Facing some bugs and overall have little experience with s3 and dynamoDB.

Max: Implementing sidenav to header
